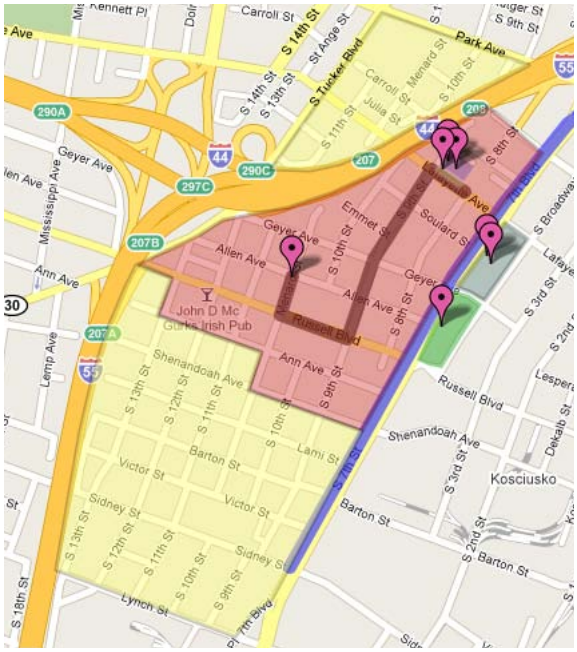
The Yellow Zone Access and Parking Pass Info



On Grand Parade Saturday, promoting the safety of visitors and residents is one of our most important functions. For that reason, once again in 2010 the **Red Zone** will be no access and no parking from **3 am Saturday to 2 am Sunday**. This means that all streets in this area must be completely clear of cars, trucks and other vehicles. No parking will be permitted and no cars will be allowed into this area during those hours. The **Yellow Zone** is a restricted access and a parking by permit only area from **3 am to 9 pm on Saturday**. Only vehicles properly displaying a Yellow Zone Access and Parking (Y-ZAP) pass may be legally driven or parked on the street anywhere in the Yellow Zone. All other vehicles are subject to ticketing and towing.

Two (2) Y-ZAP passes will be mailed to every known Soulard residence – both homes and apartments – around January 25th approximately three weeks before Grand Parade Saturday. If you do not receive your Yellow Zone passes you can contact the Mardi Gras office **after** February 1st.

If a household has more than two vehicles registered at their Soulard residence, they can get additional Y-ZAP passes by providing acceptable proof of ownership or lease along with proof of registration address – **for <u>ALL</u> of the owned or leased vehicles registered at your address!** Acceptable proof consists of one of the following items for EACH vehicle:

- Title of vehicle at a registered Soulard address. or
- Paid personal property tax receipt for vehicles registered to a Soulard address. or
- Insurance receipt or insurance card listing the vehicle at a registered Soulard address

To receive additional passes bring proof of ownership or lease to a Soulard address – to the Mardi Gras Inc. offices at 1013 Ann Avenue, on weekdays from 9 am to 6 pm during the weeks of Feb. 1-5, and Feb. 8-12. Staff will not be available for this purpose at any other time. Additional Y-ZAP passes may not be obtained over the telephone or through the mail. If you need additional passes, you are encouraged to do so early and not wait until the last minute.

A vehicle properly displaying a Y-ZAP pass may be driven into the Yellow Zone on Grand Parade Saturday in 2010 and may park in any **legal** parking spot on the street in the Yellow Zone – if such a spot is available. Such vehicles will not be ticketed and will not be towed. Any vehicle not properly displaying a Y-ZAP pass is subject to ticketing and towing.

A Y-ZAP pass does not guarantee that there will be a legal spot in which to park in the Yellow Zone on Grand Parade Saturday in 2010. They also do not guarantee that you will have a spot in front of your residence.

Please remember, Y-ZAP passes are only valid in the Yellow Zone. As always, the Red Zone is completely restricted – no vehicle may be driven or parked anywhere on the street in the Red Zone from 3 am, February 13 until 2 am, February 14.

Keep your good time safe; mind your surroundings and don't leave valuables visible in your car (vehicle), and when leaving the festivities, walk with a buddy or in groups.
